Dear Student,

PFB the details for the placement process of LIDO.

Eligibility : top 20 Unplaced Elithmus Scorer.

LIDO is an ed-tech company revolutionizing the formal classroom education through a unique and immersive online
classroom for every child in India. With our exciting and fun online classes for our students, we are building the
Lido experience: cutting edge content like animated videos and interactive games, a personalized platform for
homework, tests, challenges, and inspiring teachers.
Why to be a part of Lido?
Lido's goal is to inspire and empower every child for the future. In order to achieve this goal, we invite you to be a
part of our ever-growing LIDO family. Grab the opportunity to work with passionate individuals, from Stanford,
Duke, IIT and BITS, as we open the door to engaging and impactful learning!
Job Description:
We are looking for a highly skilled computer programmer who is comfortable with both frontend and backend
programming. You will own a project from conception to final product, requiring good organizational skills and
attention to detail. You will develop and design backend architecture and work alongside graphic designers for web
design features.
Responsibilities:
* Developing backend and frontend applications.
* Designing and developing Database Models and APIs.
* Architecture documentation and code reviews.
Skills:
* Degree in Computer Science in progress.
* Strong organizational and project management skills.
* Proficiency with fundamental frontend languages such as HTML, CSS and JavaScript.
* Familiarity with JavaScript frameworks such as React.
* Proficiency with server side languages such as Java, Nodejs.
* Familiarity with database technology such as MySQL, Postgres and Cassandra.
* Familiarity with developing real-time applications.
* Excellent verbal communication skills.
* Good problem solving skills.
* Attention to detail.
Tech Stack: (stackshare link):
Nodejs, React, HTML5/CSS3, AWS

Stipend : During Internship - INR 30K
Internship Duration: As per university standards
Pre-Placement Offer: INR 10 Fixed + 2 Lac ESOPS= 12 LPA
